ORDER OF DISMISSAL

-----X
JESSE M. FURMAN, United States District Judge:

The Court construes the parties' letter of earlier today, *see* ECF No. 31, to mean that the parties have settled *all* claims asserted herein in principle. In light of that, it is hereby ORDERED that the above-entitled action be and is hereby DISMISSED and discontinued without costs, and without prejudice to the right to reopen the action **within sixty days** of the date of this Order if the settlement is not consummated (or if the Court's interpretation of the parties' letter is mistaken and the settlement does not cover all claims).

To be clear, any application to reopen **must** be filed **by the aforementioned deadline**; any application to reopen filed thereafter may be denied solely on that basis. **Further, requests to extend the deadline to reopen are unlikely to be granted.**

If the parties wish for the Court to retain jurisdiction for the purposes of enforcing any settlement agreement, they **must** submit the settlement agreement to the Court by the deadline to reopen to be "so ordered" by the Court. Per Paragraph 5.B of the Court's Individual Rules and Practices for Civil Cases, unless the Court orders otherwise, the Court will not retain jurisdiction to enforce a settlement agreement unless it is made part of the public record.

Any pending motions are moot. All conferences are canceled. The Clerk of Court is directed to terminate ECF No. 21 and to close the case.

SO ORDERED.
